AMEND Senate Bill No. 779* **House Bill No. 1035**

by deleting all language after the enacting clause and substituting the following:

SECTION 1. Tennessee Code Annotated, Section 3-1-103, is amended by deleting the section in its entirety and substituting instead the following:

(a)

(1) All census descriptions, counties, voting districts (VTDs), tracts, blocks, census delineations, census district lines, and other census designations are those established for or by the United States department of commerce, bureau of the census, for taking the 2020 federal decennial census in Tennessee as contained in the automated geographic database, known as the TIGER (topologically integrated geographic encoding and referencing) system.

(2) As provided in subsection (c), each district is described county by county in alphabetical order and, if a county is split, by the portion of such split county. Split counties are described by VTDs and, if further divided, by census blocks.

(b) It is the intention of the general assembly that:

(1) Each district be represented by a single member;

(2) Districts are substantially equal in population in accordance with constitutional requirements for "one (1) person one (1) vote" as judicially interpreted to apply to state legislative districts;

(3) Geographic areas, boundaries, and population counts used for redistricting are based on the 2020 federal decennial census;

(4) Districts are contiguous, and contiguity by water is sufficient, and, toward that end, if any voting district or other geographical entity designated as a portion of a district is found to be noncontiguous with the larger portion of such district, it must be constituted a portion of the district smallest in population to which it is contiguous;

(5) No more than thirty (30) counties are split to attach to other counties or parts of counties to form multi-county districts; and

(6) The redistricting plan complies with the Voting Rights Act and the fourteenth and fifteenth amendments to the United States Constitution.

(c) Until the next enumeration of qualified voters and apportionment of representatives, the state house of representatives is composed as follows:

(1) **District 01:**

Sullivan County

AMEND Senate Bill No. 779* **House Bill No. 1035**

by deleting all language after the enacting clause and substituting the following:

SECTION 1. Tennessee Code Annotated, Section 3-1-103, is amended by deleting the section in its entirety and substituting instead the following:

(a)

(1) All census descriptions, counties, voting districts (VTDs), tracts, blocks, census delineations, census district lines, and other census designations are those established for or by the United States department of commerce, bureau of the census, for taking the 2020 federal decennial census in Tennessee as contained in the automated geographic database, known as the TIGER (topologically integrated geographic encoding and referencing) system.

(2) As provided in subsection (c), each district is described county by county in alphabetical order and, if a county is split, by the portion of such split county. Split counties are described by voting districts (VTDs) and, if further divided, by census blocks.

(b) It is the intention of the general assembly that:

(1) Each district be represented by a single member;

(2) Districts are substantially equal in population in accordance with constitutional requirements for "one (1) person one (1) vote" as judicially interpreted to apply to state legislative districts;

(3) Geographic areas, boundaries, and population counts used for redistricting are based on the 2020 federal decennial census;

(4) Districts are contiguous, and contiguity by water is sufficient, and, toward that end, if any voting district or other geographical entity designated as a portion of a district is found to be noncontiguous with the larger portion of such district, it must be constituted a portion of the district smallest in population to which it is contiguous;

(5) No more than thirty (30) counties are split to attach to other counties or parts of counties to form multi-county districts; and

(6) The redistricting plan complies with the Voting Rights Act and the fourteenth and fifteenth amendments to the United States Constitution.

(c) Until the next enumeration of qualified voters and apportionment of representatives, the state house of representatives is composed as follows:

(1) **District 01:**

Sullivan County

(d) This section shall not be construed to deprive any member of the house of representatives of the One Hundred Twelfth General Assembly of such member's office, or as affecting or modifying the constitutional requirements of the Constitution of Tennessee, Article II, § 3. At the November 2022 general election, and thereafter until changed by law, representatives shall be elected to represent the districts as constituted and provided by this section. If a seat of a member of the house of representatives becomes vacant prior to the general election in November 2022, in accordance with the Constitution of Tennessee, Article II, § 15(b), a successor shall be elected by the county legislative body to represent the district as constituted and provided prior to the effective date of this act.

(e) Any reapportionment of county legislative bodies shall not affect these legislative districts.

SECTION 2. This act takes effect upon becoming a law, the public welfare requiring it.

AMEND Senate Bill No. 779* **House Bill No. 1035**

by deleting all language after the enacting clause and substituting the following:

SECTION 1. Tennessee Code Annotated, Section 3-1-103, is amended by deleting the section in its entirety and substituting instead the following:

(a)

(1) All census descriptions, counties, voting districts (VTDs), tracts, blocks, census delineations, census district lines, and other census designations are those established for or by the United States department of commerce, bureau of the census, for taking the 2020 federal decennial census in Tennessee as contained in the automated geographic database, known as the TIGER (topologically integrated geographic encoding and referencing) system.

(2) As provided in subsection (c), each district is described county by county in alphabetical order and, if a county is split, by the portion of such split county. Split counties are described by voting districts (VTDs) and, if further divided, by census blocks.

(b) It is the intention of the general assembly that:

(1) Each district be represented by a single member;

(2) Districts are substantially equal in population in accordance with constitutional requirements for "one (1) person one (1) vote" as judicially interpreted to apply to state legislative districts;

(3) Geographic areas, boundaries, and population counts used for redistricting are based on the 2020 federal decennial census;

(4) Districts are contiguous, and contiguity by water is sufficient, and, toward that end, if any voting district or other geographical entity designated as a portion of a district is found to be noncontiguous with the larger portion of such district, it must be constituted a portion of the district smallest in population to which it is contiguous;

(5) No more than thirty (30) counties are split to attach to other counties or parts of counties to form multi-county districts; and

(6) The redistricting plan complies with the Voting Rights Act and the fourteenth and fifteenth amendments to the United States Constitution.

(c) Until the next enumeration of qualified voters and apportionment of representatives, the state house of representatives is composed as follows:

(1) **District 01:**

Sullivan County

AMEND Senate Bill No. 780* House Bill No. 1037

by deleting all language after the enacting clause and substituting instead the following:

SECTION 1. Tennessee Code Annotated, Section 3-1-102, is amended by deleting subsection (a) and substituting instead the following:

(a) Senators elected to the One Hundred Twelfth General Assembly shall, until the next general election for senators, represent their respective districts as constituted prior to the effective date of this act. Nothing in this section shall be construed as depriving any member of the senate of the One Hundred Twelfth General Assembly of such member's office, or as affecting or modifying the constitutional requirement of staggered senatorial terms, or as affecting or modifying any other provisions of Article II, Section 3 of the Constitution of Tennessee. At the November 2022 general election, and thereafter until changed by law, senators shall be elected to represent the districts as constituted and provided by this section.
